Re: Fuel and Purchased Power Adjustment
February 2021

Dear Ms. Van Gerpen:

Montana-Dakota Utilities Co. (Montana-Dakota) herewith respectfully files its fuel and purchased power (F&PP) adjustment pursuant to its Rate 58.

| | |
|-------------------------------------|------------------|
| Base Fuel | \$0.02524 |
| Fuel and Purchased Power Adjustment | <u>(0.00534)</u> |
| Total | \$0.01990 |

Exhibit A is the 56th Revised Sheet No. 27.2 showing the proposed Fuel and Purchased Power Adjustment to be effective with service rendered on and after February 1, 2021, pursuant to Commission approval.

Exhibit B, page 1 summarizes the fuel and purchased power adjustment calculated pursuant to the terms of Rate 58 authorized in Docket No. EL15-024. The total F&PP adjustment is 1.990 cents per Kwh that will apply during the month of February 2021. Pages 2 through 4 show the calculation of the adjustment which is based on a four month historical average cost of fuel and purchased power.

The net effect of this F&PP adjustment is an increase from the currently effective rates of 0.057 cents per Kwh for service rendered in the month of February 2021.

All of Montana-Dakota's retail electric customers in South Dakota will be affected by this proposal. There were 8,498 customers in South Dakota as of December 31, 2020.

If you have any questions regarding this filing, please contact me at (701) 222-7855 or Travis.Jacobson@mdu.com.

Sincerely,

/s/ Travis R. Jacobson
