Re: Fuel and Purchased Power Adjustment  
July 2021

Dear Ms. Van Gerpen:

Montana-Dakota Utilities Co. (Montana-Dakota) herewith respectfully files its fuel and purchased power (F&PP) adjustment pursuant to its Rate 58.

Base Fuel	\$0.02524
Fuel and Purchased Power Adjustment	<u>(0.00308)</u>
Total	\$0.02216

Exhibit A is the 61<sup>st</sup> Revised Sheet No. 27.2 showing the proposed Fuel and Purchased Power Adjustment to be effective with service rendered on and after July 1, 2021, pursuant to Commission approval.

Exhibit B, page 1 summarizes the fuel and purchased power adjustment calculated pursuant to the terms of Rate 58 authorized in Docket No. EL15-024. The total F&PP adjustment is 2.216 cents per Kwh that will apply during the month of July 2021. Pages 2 through 4 show the calculation of the adjustment which is based on a four month historical average cost of fuel and purchased power.

Exhibit C shows the calculation of the surcharge adjustment that will be applicable to Montana-Dakota's customers on July 1, 2021 through June 30, 2022. The Deferred Fuel Cost Account has an under recovered balance of \$12,037 which results in a surcharge adjustment of a positive 0.037 cents per Kwh as shown on page 1, representing an increase of 0.232 cents from the currently effective surcharge adjustment.

The net effect of this F&PP adjustment is an increase from the currently effective rates of 0.381 cents per Kwh for service rendered in the month of July 2021.

All of Montana-Dakota's retail electric customers in South Dakota will be affected by this proposal. There were 8,523 customers in South Dakota as of May 31, 2021.

If you have any questions regarding this filing, please contact me at (701) 222-7855 or [Travis.Jacobson@mdu.com](mailto:Travis.Jacobson@mdu.com).

Sincerely,

*/s/ Travis R. Jacobson*
