

To Whom It May Concern,

I am writing you as a community member near the project to share my support of the Crocker Wind Farm, a Geronimo Energy wind farm development located in Clark County, South Dakota.

- I support Crocker Wind Farm because it will provide **economic benefits to the local economy**, tax base, schools, local residents and county and towns.
- I support Crocker Wind Farm because it will provide numerous **benefits for the local and broader environment**, including water consumption savings and carbon dioxide emissions reductions.
- I support Crocker Wind Farm because its developer, **Geronimo Energy, is a responsible and thorough developer.**

Sincerely,

Paul Florey

Additional comments of support below:

I support the Crocker Wind farm. I farm with my father and brother and have lived on this farm for nearly 50 years. I have a son who is now farming with me and I feel with the ~~fluctu~~ <sup>volatility</sup> in commodity prices, this wind farm will add valuable stability to his future in farming
