Re: New Rate Schedule Rate 45
Compliance Filing - Revised
Docket No. EL22-024

Dear Ms. Van Gerpen:

Montana-Dakota Utilities Co. (Montana-Dakota) herewith electronically submits the below noted tariff sheets reflecting an effective date of service rendered on and after January 6, 2023 in compliance with the Commission's approval of High Density Contracted Demand Response Rate 45 at its regular meeting on January 5, 2023.

A correction was necessary to the tariff revision number included on Sheet No. 20 of Section 3 that was included in the Compliance Filing submitted on January 5, 2023 where the Company had inadvertently included Original Sheet No. 20 for page 1 of Rate 45. However Original Sheet No. 20 was already in use and noted as "Reserved for Future Use" in the Company's electric rate book. The Company appreciates Staff's inquiry into the revision numbering and has updated the revision numbering in this revised Compliance Filing to 1st Revised Sheet No. 20.

Electric Rate Schedule - Section 1

- Table of Contents 2nd Revised Sheet No. 1

Electric Rate Schedule - Section 3

- High Density Contracted Demand Response 1st Revised Sheet No. 20
- High Density Contracted Demand Response Original Sheet Nos. 20.1 and 20.2

Sincerely,

/s/ Travis R. Jacobson
