Good Afternoon [REDACTED]

If you could, please reply to this email with the following for the service territory exception between Xcel Energy and Southeastern Electric:

1. Copy of the Survey/Plat of your new home at 26495 452<sup>nd</sup> Avenue, Canistota – please make sure the legal description is on the document in addition to the layout.
2. Please confirm that you agree to have Xcel Energy serve as your electric provider for your new home even though the property is presently in Southeastern Electric service territory. Both utilities agree to this change but a confirmation from you is needed for the filing with the South Dakota Public Utilities Commission.

Thank you,

**Eric Pauli**
