RE: GD09-001

Dear Ms Van Gerpen:

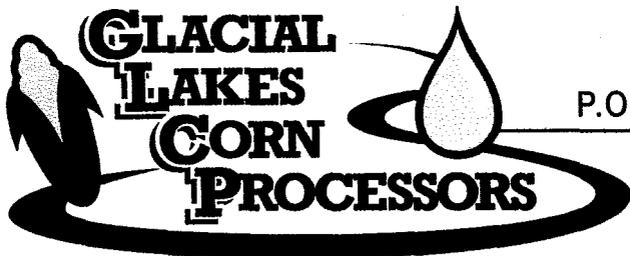

Enclosed for filing please find the 12/15/09 letter from Glacial Lakes Corn Processors (GLCP) requesting that they be added to the 1/5/10 commission meeting agenda.

I have examined the financial statements for their fiscal year ended August 31, 2009, and have found them to be in compliance with ARSD 20:10:12:15. Therefore, I will recommend that the conditional status of their license be lifted and that they be allowed to operate as a Class-A grain buyer without restrictions.

Best Regards,

Jim Mehlhaff

Dear Jim,

As noted in the order granting Glacial Lakes Corn Processors a waiver and conditional grain buyer's license, we are requesting to be added to the agenda at your next scheduled session as we now meet the criteria set out in ARSD 20:10:12:15.

Attached are our audited financial statements for the fiscal year ended August 31, 2009 for your review. We sincerely appreciate the assistance you have provided us and look forward to the issuance of our license.

Sincerely,
