

We live in Britton, Marshall County
and so do all of our family. We
use BDM water as our pets do.

We would like to request that the
pipeline be rerouted around the
surface aquifer that flows into our
BDM's water source aquifer. Please do
not put our water source at risk,
it is unacceptable to do so. To let the
pipeline go through this area is so
very dangerous to all of us that
use BDM and to the future.

Please take action and stand by
all the BDM water users.

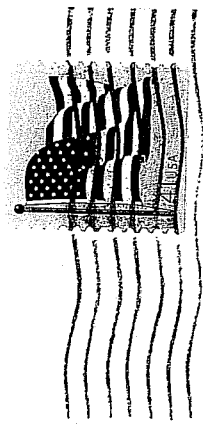

Thank you for taking the time to
help all of us.
