

Being a consumer of water in Britton, what
the quality of the water be?

At Gwinner N.D. they built a garbage waste facility
on top of one of the main aquifers.

What is the quality of that water?

In Alaska each citizen gets a royalty check of \$2500.00
per year for oil produced, wouldn't it only be fair for
the citizens of N.D. & S.D. get something?
