UTILITIES COMMISSION

Dear Commissioners Hanson, Kolbeck and Johnson:

Our water, here in N.E. South Dakota is our life-line to our existence. Once its gone its too late to do anything about it. Now, is the time to do something about the danger. Reroute the TransCanada pipe around our water resource area. Once that has been done, you then have done your duty to the people and to the environment. On this issue there are no overriding concerns.

Thank you.
