

P.U.C. Commissioners:

02-23-200

as you know TransCanada are planning to put
a Pipe line through Marshall Co. That is dangerous
to BDM water source any spill would seak into
BDMs ~~would leak~~ water as it is only about 400 ft
to their waterquifer it makes sense to me
that this Pipeline be Rerouted to protect
BDM's water source.

Yours sincerely
Ralph R. Sippel
