Notice to McCook Cooperative Telephone Company Customers

Lifeline, Link Up, and Toll Limitation Service support provide discounts to eligible low-income consumers to help them establish and maintain telephone service. Note: Telecommunications carriers cannot charge a Lifeline customer federal USF fees on the local service portion of their telephone bill.

What type of discount is available?

Lifeline assistance lowers the cost of basic, monthly local telephone service. Eligible consumers can receive up to \$8.25 per month in discounts.

Link Up reduces the cost of initiating new telephone service. Eligible consumers can receive up to a 50% discount off of the one-time costs associated with initiating telephone service. Eligible consumers also qualify for a deferred payment schedule for remaining costs of up to \$200.

Toll Limitation Service (TLS) support allows eligible consumers who wish to avoid incurring large long distance fees to choose toll blocking or toll control at no cost.
