MAPS

The above map depicts the census block group (CBG) in Spink County that was won by Venture in the RDOF reverse auction. The overall CBG area is shaded in “mustard” color on this map, while the funded census blocks (CBs) in which Venture is receiving funding and has a buildout obligation are shown in “green” shading.

The Hughes County map shown above depicts multiple CBGs that Venture won in the RDOF reverse auction. The overall CBG areas won by Venture are shaded in “mustard” color on this map, while the funded CBs within the respective CBGs are shown in “green” shading. Venture is only receiving funding for the green shaded areas, and the associated buildout obligations only pertain to those same green shaded areas.
