BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF SOUTH DAKOTA

IN THE MATTER OF THE FILING BY MONTANA-DAKOTA UTILITIES CO. FOR APPROVAL OF TARIFF REVISIONS	))))	**ORDER APPROVING TARIFF REVISIONS** **NG08-006**

On July 7, 2008, Montana-Dakota Utilities Co. (MDU) filed for approval of tariff revisions concerning its Gas Service Order. The Gas Service Order has been revised to reflect the elimination of the practice of offering new customers the option of installing an excess flow valve (EFV). As of June 1, 2008, in compliance with the United States Department of Transportation Regulations under the Natural Gas Pipeline Safety Act, as set forth in Title 49 of the Code of Federal Regulations, Part 192, EFVs will be installed as standard construction practice on residential services under certain circumstances. The revised tariff sheet is as follows:

Section No. 6, 1st Revised Sheet No. 21, canceling Original Sheet No. 21

At its regularly scheduled meeting of September 9, 2008, the Commission considered approval of the application. Commission Staff recommended approval.

The Commission finds that it has jurisdiction over this matter pursuant to SDCL Chapter 49-34A. Further, the revisions are just and reasonable and shall be approved. As the Commission's final decision in this matter, it is therefore

ORDERED, that MDU's revised tariff as described above is approved, and shall be effective as of the date of this order.

Dated at Pierre, South Dakota, this 15th day of September, 2008.

CERTIFICATE OF SERVICE

The undersigned hereby certifies that this document has been served today upon all parties of record in this docket, as listed on the docket service list, electronically.
