TARIFF REVISIONS**

TC11-074

On June 21, 2011, the Public Utilities Commission (Commission) received from OrbitCom, Inc. f/k/a VP Telecom, Inc., (OrbitCom), a petition to amend and replace its existing switched access tariff so as to clarify existing policies regarding jurisdictional reporting, billing and collection of charges, and to further clarify and define rate categories. OrbitCom also modified its switched access rates to comply with the order in RM05-002 requiring competitive local exchange carriers to conform to the rates of the Regional Bell Operating Company. Rather than submitting amended pages to replace certain pages of its existing tariff, OrbitCom submitted a new tariff document, Switched Access Services, Tariff No. 2. Upon approval, Tariff No. 2 will fully replace existing Tariff No. 1. OrbitCom proposed an effective date of May 30, 2011. On September 22, 2011, OrbitCom submitted a revised tariff which is intended as a replacement for the original Exhibit A filed on June 21, 2011.

On June 22, 2011, the Commission electronically transmitted notice of the filing and the intervention deadline of July 8, 2011, to interested individuals and entities. No parties sought intervention.

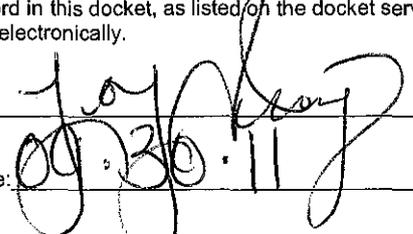

At its regularly scheduled meeting of September 27, 2011, the Commission considered this matter. Commission staff recommended approval of the revised tariff filed on September 22, 2011.

The Commission has jurisdiction over this matter pursuant to SDCL Chapter 49-31. The Commission voted unanimously to approve the petition to amend and replace Switched Access Services Tariff No. 1 with Switched Access Services Tariff No. 2, effective May 30, 2011.

It is therefore

ORDERED, that the Commission approves the tariff revisions as found in Switched Access Services Tariff No. 2, effective May 30, 2011.

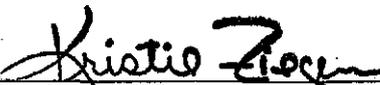

Dated at Pierre, South Dakota, this 30 day of September, 2011.
