Subject: Belle Fourche Wind Farm - Construction Notification

Dear Mr. Kearney,

In accordance with South Dakota 49-41B-25.1, this letter shall serve as notice of the start of construction of the Belle Fourche Wind Farm, located at 107.65 Waite Road, Belle Fourche, SD 57717.

The wind farm will consist of seventeen GE 1.7-103 wind turbines. Each turbine has a nameplate capacity of 1.7 MW for a total nameplate capacity of the wind farm of 28.9 MW.

Small Generator Interconnection will be through a new 69kV substation located near Route 212, connecting to a 69kV Black Hills Power transmission line.

Construction will begin on Monday 12/22/2014 and will be completed about 9/30/2016. Should the design of the wind farm change, we will update this notification.

Best regards,
