Subject: RE: SD PUC Agenda of the August 6, 2014, Commission Meeting

Joy,

Please express to PUC Commissioners and staff members that I am very appreciative of the patience and consideration they have given to us during this process. I strongly feel it is much better to address the potential issues and try to eliminate them rather than deal with them after-the-fact when they could have been avoided from the start. Thus saving much stress, time and financial commitment for all parties involved.

I had planned to attend the meeting, however due to family issues I need to be on a early flight out of Sioux Falls to Zacatecas, Mexico Wednesday morning. I am simply running out of time getting everything arranged here to allow my absence for a few days, as I need to drive to Sioux Falls yet tonight.

I will follow-up when I return.

Thanks much,

Randy
