Rapid City, SD 57701

Dear Chairman Petersen and Commissioners:

Thank you for your letter regarding the Keystone XL pipeline certification docket. It will be posted in the electronic public record so my fellow commissioners and other parties in this docket can read it.

You can access the docket by going to www.puc.sd.gov and clicking on Commission Actions, Commission Dockets, Hydrocarbon Pipeline Dockets, 2014 Dockets, and then you will see this docket, HP14-001.

On the PUC's homepage, you will find links titled Pipeline Siting Info Guide and Keystone XL Pipeline Updates. These documents explain the processing of a pipeline siting case according to the South Dakota laws governing this commission. The latter links to some of the most-often heard questions about the project and process and the answers. Copies of these documents are also enclosed.

Sincerely,

Chris Nelson
