Dear Mr. Albrecht:

Thank you for your letter regarding the Keystone XL pipeline certification docket. It will be posted in the electronic public record so my fellow commissioners and other parties in this docket can read it.

Given your interest in the case, I encourage you to read the documents in this pipeline siting docket, HP14-001, via www.puc.sd.gov. As you know, we just completed a nine-day evidentiary hearing on this docket. You will find the information presented and filed by parties in the case that my fellow commissioners and I are reviewing at present. This includes legal references, definitions and arguments, including some of the points you have raised.

Sincerely,

Chris Nelson
