**MOTION FOR SUBSTITUTION OF WITNESS**

COMES NOW South Dakota Association of Rural Water Systems, Inc. (“SDARWS”) and hereby petitions the South Dakota Public Utilities Commission for permission to substitute its witness. On July 8, 2015, SDARWS filed Pre-filed testimony of Steve Harper. Steve Harper was the General Manager for WEB Water Development Association, Inc. (“WEB Water”). He filed his testimony on behalf of the seven rural water systems that will have waterlines crossed by Dakota Access Pipeline, LLC (“DAPL”) in the state of South Dakota. Mr. Harper has recently left employment of WEB Water. SDARWS is requesting that it be allowed to substitute Mr. Harper with Dan Zulkosky, the Construction Administrator of Lewis & Clark Regional Water System (“Lewis & Clark”). Of the seven member systems of SDARWS, impacted by the DAPL project, Lewis & Clark is the only System that has not reached an agreement with DAPL. Attached hereto (Attachment A) is proposed pre-filed testimony of Mr. Zulkosky. SDARWS also requests that Mr. Zulkosky be allowed to testify on October 6<sup>th</sup> or 7<sup>th</sup>, 2015.

WHEREFORE, Petitioner requests that the Commission grant this Motion and allow SDARWS to Substitute its Witness and allow Mr. Zulkosky to testify on October 6th or 7th, 2015.

Dated this 21 day of September, 2015.
