Re: In the Matter of the Application by Otter Tail Power Company on Behalf of Big Stone II Co-Owners for an Energy Conversion Facility Permit for the Construction of Big Stone II Project (EL05-022)  
Our File No. 11402.000

Dear Janette and John:

I am writing to clarify the due date of the appellees' briefs in the appeal of the PUC's decision granting Big Stone II energy conversion facility permit. I contacted the office of the Clerk of the Supreme Court yesterday and learned that our deadline to serve the brief is June 18. This date appears to be owing to the fact that you served the appellants' brief on May 1. Accordingly, the Project Co-owners are relying on the June 18 deadline and will serve our brief on or before that date.

If you believe the June 18 date is incorrect, please notify me immediately so we can discuss the issue and resolve any dispute. If I do not hear from you, I will assume you agree with the Supreme Court's calculations and proceed accordingly.

Best regards.

Sincerely yours,  
BOYCE, GREENFIELD, PASHBY & WELK, L.L.P.
