QUESTIONS FOR WALTER KELLER: JOBBERS MOVING AND STORAGE:

1. In what state did you have your meetings with S&S?

We met with their representative face to face in North Dakota, but had numerous conference calls with their corporate office in Aberdeen, South Dakota.

2. In what state did you sign the contract with S&S?

We signed the contract in North Dakota, as that is where our corporate office is located and where the officers reside.

3. In what state did you receive the billings from S&S?

We have an office in Aberdeen, South Dakota, Bismarck, Fargo, and Minot North Dakota. All bills for all offices are processed for payment in the corporate office located in Bismarck, North Dakota.

Please note any facts or circumstances regarding your answers above that you feel may be relevant:

Our initial meeting with the representative came at the direction of our manager in the Aberdeen office. He wanted us to visit with other businesses that operate out of Aberdeen, South Dakota.

We have consolidated our office work to the corporate office in Bismarck, North Dakota as a cost savings measure. As a matter of economics it only makes sense to perform all accounts receivable and payable functions out of one office.
