Dish Network

SOUTH DAKOTA PUBLIC
UTILITIES COMMISSION

I received a call from dish network in Nov. and also a letter from dish network telling me they had called me. I feel that by calling me for any reason is a violation of my PLEASE do not call list.

I asked that dish network NOT call me (for any reason)

They left a message on my answering machine telling me they hadn't called me.

Please inform dish network not to call me (for any reason)

I feel they are in violation by this phone call that they admitted they made to me.

I asked to be placed on the do not call list in Feb of 2006.

Thank you
Pam Lutter
