Dave,

- 1) We do not have GIS here.
- 2) I had one of our Designers estimate the distances on the map. Following are those estimates.

A = 156 ft.  
B = 1181 ft.  
C = 122 ft.  
D = 182 ft.  
E = 295 ft.  
F = 980 ft.  
G = 159 ft.
