

29.

Not less than 30 days prior to commencement of construction work in the field, Applicant will provide to Staff the most current pre-construction design, layout and plans. Applicant also will provide such additional pre-construction information as Staff requests.

30.

Within 90 days of the Project's completion, Applicant shall submit a report to the Commission that provides the following information: 1) as-built location of structures and route, including drawings; 2) status of remedial activities for road damage, landowner property damage, crop damage, environmental damage, or any other damage that resulted from construction activities; and 3) a summary of known landowner complaints and Applicant's plan for resolving the complaints.

31.

Prior to construction, Applicant will notify public safety agencies providing a schedule and location of work to be performed within their jurisdiction. The agencies contacted will include the South Dakota Department of Public Safety, Sheriffs of Deuel and Brookings Counties, and Deuel and Brookings County Offices of Emergency Management.
