RESPONSE DATE : May 5, 2014
REQUESTING PARTY : South Dakota Public Utilities Commission

SDPUC Request 1-1:

The Company states on page 3 of the application that it intends to issue debt under its existing indenture. Provide any portions that have changed since Docket EL09-008.

Response to SDPUC Request 1-1:

Black Hills Power is in the process of negotiating a supplemental indenture. Beyond changes that conform to current market conditions, the Company does not anticipate any other material changes between the supplemental indenture and the indenture that was considered in Docket EL09-008. The supplemental indenture will be confidentially filed with the Commission once the terms are finalized.
