

Line No.	Old Rate Code	Old Rate Description	Migration Rate	Notes
	(a)	(b)	(c)	(d)
1	RWD	Base Use with Electric Water Heating	Base Residential Rate	Eliminating special end-use rates
2	RSD	Electric Space Heating	Base Residential Rate	Eliminating special end-use rates
3	RED	All Electric	Base Residential Rate	Eliminating special end-use rates
4	GED	Electric Heat – Energy Only Metering	General Service – Energy Rate	Eliminating special end-use rates
5	GPD	Base Use at Primary Voltage	General Service based on size	All rates will be based on secondary voltage
6	GHD	Electric Heat – Demand Metered	General Service – Demand Rate	Eliminating special end-use rates
7	GTD	Time-of-Use Primary Voltage	General Service or Time-of-Use	All rates will be based on secondary voltage
8	GSD	Separately Metered Electric Space Heating	General Service	Eliminating special end-use rates
9	GWD	Separately Metered Electric Water Heating	General Service	Eliminating special end-use rates
11	LED	Large General Service with Electric Space Heating at Secondary Voltage	General Service based on size	Eliminating special end-use rates
12	LHD	Large General Service with Electric Space Heating at Primary Voltage	General Service based on size	All rates will be based on secondary voltage
13	LPD & APD	Large Base Use at Primary Voltage	General Service based on size	All rates will be based on secondary voltage
14	LVD/LRD	Time-of-Use at Primary Voltage	General Service or Time-of-Use	All rates will be based on secondary voltage
15	ATD	Public Authority - Base	General Service based on size	No longer segregating municipal use
16	Rider No. 12	Short Term Interruptible Energy	Voluntary interruption at negotiated price	No customers have used in many years
