RE: Docket EL15-007 In the Matter of the Application of Black Hills Power, Inc. for
Approval of its 2015 Transmission Facility Adjustment

Dear Ms. Van Gerpen:

Enclosed for filing are revised exhibits with changes requested by Commission Staff:

- Exhibit 2 – Legislative Format of Tariffs
- Exhibit 3 – Clean Format of Tariffs
- Exhibit 5 – Transmission Facility Adjustment Calculation
- Exhibit 6 – Customer Notice

The Transmission Facility Adjustment (“TFA”) Calculation on Exhibit 5 was modified to reflect the actual cost of the Lookout to Sundance Hill line on Schedules 5-4 and 5-8, an additional month of revenue from the South Dakota cooperatives for their use of the TFA investments on Schedule 5-10, and the customer impact calculation on Schedule 5-11 now incorporates the final rates approved by the Commission in Docket EL14-026 and the revised TFA rate reflected on Schedule 5-1.

Exhibits 2 and 3 were updated to reflect the revised TFA rates on Exhibit 5, Schedule 5-1. The Customer Notice on Exhibit 6 incorporates the final rates approved by the Commission in Docket EL14-026 and the revised TFA rate reflected on Exhibit 5, Schedule 5-1.
