RE: EL16-022 - In the Matter of the Application by Prevailing Winds, LLC for a Wind Energy Facility Permit for the Prevailing Winds Wind Energy Facility

Dear Ms. Van Gerpen:

A notice for public hearing for the above-captioned matter was served on all parties and sent for publication in local newspapers on July 12, 2016. After service, Prevailing Winds, LLC requested the notice be clarified to specify the "proposed Project includes up to 100 wind turbines" as opposed to the original language that the "proposed Project includes 100 wind turbines." On July 13, 2016, Staff made this requested change to the notice, served the revised notice on all parties, and sent the revised notice to the local newspapers to ensure that the newspaper publish the revised notice for public hearing.

Please feel free to contact me should you have any questions or concerns. Thank you for your time and attention to this matter.

Best regards,

Amanda M. Reiss
Staff Attorney
