

OTTER TAIL POWER COMPANY  
Docket No: EL16-019

Response to: SD Public Utilities Commission  
Analyst: SDPUC Staff  
Date Received: 05/25/2016  
Date Due: 06/03/2016  
Date of Response: 06/02/2016  
Responding Witness: Jason A. Grenier, Manager Market Planning - (218) 739-8639

---

Information Request:

In Attachment 2 of Appendix C, why is it identified that 11,558 customers will have cost of service increased when Otter Tail is proposing a reduction in the Energy Efficiency Adjustment Factor?

Attachments: 1

Attachment 1 to IR SD-PUC-01-07.pdf

Response:

The 11,558 customers will have cost of service reduced. The number of customers had been updated but had mistakenly not moved to the "Reduced" column in Attachment 2 of Appendix C. Please see Attachment 1 to IR SD-PUC-01-07 with the correction.
