Re: MidAmerican Energy Company's Request for Approval of Energy Efficiency Plan
Docket Nos. GE12-_____

Dear Ms. Van Gerpen:

Pursuant to the Order Approving Extension of Energy Efficiency Plan in EL07-015/GE-11-002, MidAmerican submits for electronic filing, its 2013-2017 Energy Efficiency Plan. The filing includes the testimony of Charles B. Rea and following exhibits:

Exhibit 1 – Proposed Energy Efficiency Plan for 2013-2017.

Exhibit 1, Appendix A - Appendix A contains fact sheets for each measure to be offered in each program which include measure descriptions, baselines, useful life data, savings and incremental cost algorithms, incentive levels, and expected payback data.

Exhibit 2 – Contains an analysis of the impact of MidAmerican's proposed plan on electric and gas ratepayers broken down into residential and non-residential classes. The ratepayer impact analysis provides expected bill impacts on a dollars per month, dollars per year, and percentage increase basis.

Exhibit 3 - Provides specific participation, savings, and incentives by measure within each program. This exhibit also provides cost-effectiveness data and avoided cost data by measure.

Exhibit 4 – Provides a description of how the planning model operates.

MidAmerican company personnel are available to meet with the Commission and Commission Staff regarding specific details of the filing, and any other issues the

Commission may have to foster energy efficiency measures for MidAmerican's South Dakota customers. MidAmerican's 2012 Energy Efficiency Plan is scheduled to end on December 31, 2012, and respectfully requests Commission review and approval before that date so that programs may continue in 2013. If you have any questions, please feel free to contact me at 563-333-8006.

Sincerely,

/s/ Jennifer S. Moore
