Re: MidAmerican Energy Company's Revised Update 2014 Budget and Savings
Docket No. Docket GE14-001

Dear Ms. Van Gerpen:

On February 27, 2014, MidAmerican Energy Company (MidAmerican) submitted its 2013 Energy Efficiency Annual Report and the reconciliation for the 2013 Energy Efficiency Cost Recovery Factor from January 1, 2013, through December 31, 2013, pursuant to Docket No. GE12-005. MidAmerican also submitted its 2014 Energy Efficiency Plan Budget Updates. Since the filing, MidAmerican has discovered an inadvertent error in the Exhibit A – 2014 Budget Update. The Exhibit A as filed on February 27, 2014, did not include the budget updates for the non-residential gas and electric programs for the furnaces and lighting measures. As MidAmerican indicated in its 2014 Energy Efficiency Plan Update, MidAmerican proposed to increase the budgets to accommodate the additional participation related to furnaces and lighting measures.

To correct this oversight, MidAmerican is filing a Revised Exhibit A – 2014 Budget Update for the South Dakota Public Utilities Commission review and approval. MidAmerican apologizes for any inconvenience this has caused.

Sincerely,

/s/ Jennifer S. Moore
