Dear Public Utilities Commission,

In the matter regarding HP07-001, I applied for and was granted party status in July 2007. Subsequently, I submitted direct testimony to the PUC consistent with your scheduling and procedural order dated Sep14, 2007. My direct testimony was filed and served by Oct 31, 2007 as required in that order.

During November, I was listed by WEB Water to be an expert witness in this matter. I understand this has raised some questions as to my legal standing in this case. While I have no objections to being called by WEB Water, I would like to retain my status as an individual intervener in this case as well.

If you have any questions or need more information regarding this matter, please reply to this note or call me at 605-425-3254. Thank you.

Sincerely,

Edward D Miller
