Re: Application for Party Status

To Whom It May Concern:

I represent MMP, Inc., and Merl Moeckly Co., two landowners whose land TransCanada proposes to cross with the pipeline for which they have requested easements and permits.

I noted on the TransCanada website that there is a lot of written information, which has been labeled "confidential" in the matter of the application of TransCanada Pipeline, LP, for a permit under the South Dakota Energy Conversion and Transmission Facility Act to construct a keystone pipeline project, HP07-001.

I hereby request that the PUC schedule a hearing as soon as possible to make all the confidential information available to the general public and the landowners. We would like to see that information in order to prepare testimony for the hearing scheduled for June 25-27, 2007. Thank you very much.

Sincerely,
