Re: HP07-001 – In the Matter of the Application by TransCanada Keystone Pipeline,  
LP for a Permit under the South Dakota Energy Conversion and Transmission  
Facility Act to Construct the Keystone Pipeline Project

Dear Ms. Van Gerpen:

Pursuant to SDCL 49-41B-17.1, please consider this a request that material filed in connection with this matter be served on me as counsel for Intervenor WEB Water Development Association. By this request, I am not asking that I be sent all the documents already filed by TransCanada Keystone, but that I merely be served with any information which is filed with the PUC in the future concerning this matter. If you have any questions, please let me know. Thanks.

Sincerely,

Reed Rasmussen
