RE: Request for Approval of First Amendment to Natural Gas Service Agreement

Dear Ms. Van Gerpen:

MidAmerican Energy Company ("MidAmerican") is requesting approval on less than 30 days notice pursuant to A.R.S.D. 20:10:13:20, requesting an effective date of June 1, 2008.

On June 10, 1994, and as amended on August 8, 1994, in Docket No. NG94-009, the Commission approved as a contract with deviations between MidAmerican and Alumax Extrusions, Inc. a Natural Gas Service Agreement ("Agreement"). Alumax Extrusions, Inc. is now known as Sapa Extrusions, Inc. ("Sapa"). This Agreement was entered into pursuant to the terms of MidAmerican's pipeline corridor service tariff on file with and as made effective by the Commission.

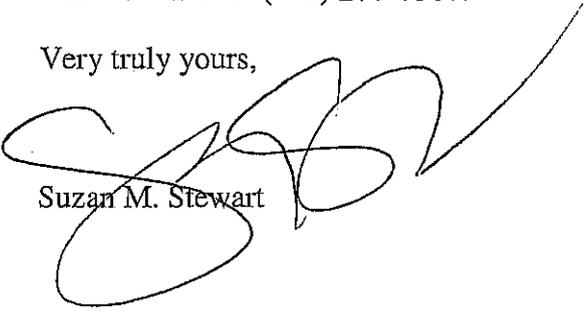

The Parties have entered into the attached First Amendment to Natural Gas Service Agreement. The sole purpose of this First Amendment is to modify the balancing provisions of the Agreement to those of MidAmerican's tariff on file with and made effective by the Commission. This change will permit Sapa to participate in balancing groups along with other gas transportation customers under MidAmerican's tariffed transportation rates.

Sapa has asked that this amendment become effective June 1, 2008. MidAmerican accordingly respectfully requests expedited approval of this First Amendment, which will replace the current contract balancing provisions with standard tariff balancing provisions as identified in MidAmerican's South Dakota tariff Section No. III-A, Sheet No. 20 - 21.

Good cause exists for expedited approval because the Amendment will move this customer's provisions from a non-standard balancing provision to standard tariff rates on the timeframe and under the terms that would be available to any other customer.

This filing is being sent to you electronically. Please email a confirmation of this filing to **smstewart@midamerican.com**. Any questions pertaining to this filing may be directed to Suzan Stewart at (712) 277-7587.

Very truly yours,

Suzan M. Stewart
