Lifeline

Lifeline is a government assistance program that offers qualified customers a discount on their monthly bill.

How much can I save?

Qualifying customers will save at least \$3.99 per month off of the 139¢ monthly access fee for Lifeline service. Qualified residents of Tribal Lands may receive service for as little as \$1 per month. Lifeline customers are responsible for the payment of all applicable state, surcharge, and fees.

How do I qualify for Lifeline?

Requirements vary by state. In many states, you may qualify for Lifeline assistance if your total household income is at or below 135% of the Federal Poverty Guidelines or you are currently eligible to receive benefits from any of the following assistance programs:

- Medicaid (not Medicare)
- Food Stamps
- Supplemental Security Income (SSI)
- Federal Public Housing Assistance (Section 8)
- Low Income Home Energy Assistance Program (LIHEAP)
- National School Lunch Program's free lunch program (must qualify for free lunch)
- Temporary Assistance for Needy Families (TANF)

If your billing address is on Tribal Lands, you may also qualify for Enhanced Lifeline support if you meet any of the above requirements, or if you participate in one or more of the following programs:

- Bureau of Indian Affairs (BIA) General Assistance
- Tribally Administered Temporary Assistance for Needy Families (TANF)
- Head Start (must satisfy income qualifying standards)

If you live in a state that administers its own Lifeline program, you must satisfy the eligibility requirements that appear in the Verizon Wireless Lifeline Link Up application for your state.

Are there any restrictions?

Lifeline assistance may only be applied to a single landline or wireless telephone line at your billing address. A Lifeline customer's billing and principal residence address must be the same. Lifeline assistance may not be applied retroactively. For more information call 1.800.924.0585

How do I apply for Lifeline?

You must complete a Lifeline Link Up application and certify to Verizon Wireless that you are currently eligible to receive benefits from a qualifying government program or otherwise satisfy the income eligibility standard.

If you apply based on household income standard, you must provide documentation reflecting your total annual household income.

To receive a Lifeline Link Up application, please call 1.800.924.0585 or go to verizonwireless.com/lifeline.

When will my benefits stop?

Your benefits will continue as long as you satisfy the eligibility standards. Your eligibility may be reviewed at any time or you may be required to periodically provide documentation of your continued eligibility.
