RE: Aventure Communication Technology, L.L.C. Replacement Access Tariff

Dear Ms. Van Gerpen:

Enclosed please find South Dakota Tariff No. 3 – Competitive Access Provider Services Tariff, submitted on behalf of Aventure Communication Technology, L.L.C. ("Company"). This tariff cancels and replaces in its entirety South Dakota Tariff No. 2.

The Company is filing this replacement tariff to provide for greater consistency in the terms and conditions associated with its provision of interstate and intrastate access service. The terms and conditions set forth in the enclosed tariff mirror in nearly all respects (with the exception of references specific to the interstate vs. intrastate jurisdictions) the Company's Tariff FCC No. 3, which became effective on December 30, 2010.

The rates set forth in the enclosed tariff are the same as those contained in the Company's current intrastate access services tariff, South Dakota Tariff No. 2. Those rates were approved in the Commission's *Order Approving Tariff and Granting Petition for Waiver*, issued on March 30, 2007 in TC-07-008.

The Company currently has no customers in South Dakota and, therefore, has not yet provided any access services in the state. Accordingly, no customers will be affected by the changes to the terms and conditions contained in the enclosed tariff. As this tariff does not include any rate increases and does not affect any existing customers, the Company requests that it be allowed to become effective upon filing.
