**RE: Docket No. TC11-010; Aventure Communication Technology, L.L.C. Amendment to Replacement Access Tariff**

Dear Ms. Van Gerpen:

Enclosed please find amended page 7 to South Dakota Tariff No. 3 – Competitive Access Provider Services Tariff, submitted on behalf of Aventure Communication Technology, L.L.C. ("Company").

This amended tariff page reflects a revision to the definition of the term "End User," which mirrors a revision that the Company filed with the Federal Communications Commission for its interstate access services in Tariff FCC No. 3. The Company's FCC tariff revision was filed on 15 days' notice with an effective date of today, July 13, 2011, and is deemed lawful by the effect of § 204(a)(3) of the Communications Act. The attached amended tariff page is submitted in keeping with Aventure's desire to retain consistency between its interstate and intrastate access tariffs.

Questions regarding this filing may be directed to my attention at (407) 740-3031 or via email at [sthomas@tminc.com](mailto:sthomas@tminc.com). Thank you for your attention to this matter.

Sincerely,
