Karen, we cannot do the 10th, but could do the 11th-12th. At this point we have a conflict with the 17th-18th.

We do not agree to dispense with prefiled testimony. Whatever else NAT wants to rely on should be able to be filed well enough ahead of the hearing for others to respond in writing.

Subject: RE: SDPUC TC 11-087 (CONTINUANCE OF HEARING DATE) and TC10-026

Other procedural matters for TC11-087:

-the motions filed by NAT on September 20 will be heard on October 9

-responses to these motions should be filed by October 3

-possible hearing dates for the COA application

--December 10-12

OR

--December 17-18, let me know which set of dates will work for your client

I believe in order to move this matter along and not run into issues with the legislative session that there is no need for prefiled testimony in the COA application matter. This will allow us to have a December hearing. Let me know why you think I am wrong. Please REPLY TO ALL so I do not have to forward your message to everyone else.

A hearing (if needed) for TC10-026 will be November 6-7. The court reporter and room will get scheduled this week and I will send you the information when I get it.

Subject: SDPUC TC 11-087 (CONTINUANCE OF HEARING DATE)

Counsel:

As per NAT's and Sprint's telephone call with Karen Cremer and Patrick Steffensen earlier this morning, please be advised that the October 22-24, 2013 hearing dates in this matter have been continued. A new procedural schedule/hearing date will need to be entered in the near future.
