Re: Sprint Communications Company L.P.  
P.U.C. Tariff No. 3

Dear Ms. Van Gerpen:

Attached for filing, please find the original revision to the Sprint's South Dakota Access Service Tariff No. 3, **6th Revised** Checksheet Page 1.

This filing:

- is to add clarifying language regarding the Rating of Toll VoIP-PSTN Traffic and to add Percent VoIP Usage (PVU) factor language. Pursuant to the Federal Communications Commission's Second Order on Reconsideration in WC Docket No. 10-90, etc., FCC 12-47, published in the Federal Registry on May 29, 2012 and to be effective July 13, 2012, Sprint is transitioning to originating and terminating access rates for intrastate Toll VoIP-PSTN Traffic. The Originating rate will be equal to intrastate originating access charges while the Terminating rate will be equal to the interstate rate unless the intrastate rate is lower.

Sprint respectfully requests an effective date of July 13 2012. If you have any questions or need additional information regarding this filing, please call me.

Sincerely,
