RE: Replacement Intrastate Switched Access Tariff  
Long Lines Metro, LLC f/k/a CommChoice, LLC

Dear Ms. Van Gerpen,

Attached for electronic filing with the South Dakota Public Utilities Commission ("Commission") is Long Lines Metro, LLC ("Long Lines") (f/k/a CommChoice, LLC) switched access tariff, Tariff No. 3. This tariff replaces in its entirety the original tariff of CommChoice, LLC South Dakota switched access Tariff No. 2. This tariff incorporates the name change as well as the necessary implementation of the required Federal Communications Commission (FCC), November 18, 2011, Intercarrier Compensation Reform Order.

Long Lines submits the following information in support of this filing for intrastate switched access rates:

1. Attachment A – Purpose, Description, and Methodology of Filing
2. Confidential Attachment B – Intrastate Transitional Access Rate Calculation Worksheet

Long Lines considers the information contained in Confidential Attachment B to be highly proprietary and confidential, as the worksheet contains details about Long Lines revenues and traffic volumes in South Dakota, which, if provided publicly, would cause competitive harm. Accordingly, pursuant to ARSD 20:10:01:39 (4) and SDCL 37-29-1 (4), Long Lines requests that Confidential Attachment B be treated as confidential for as long as the information is held by the Commission.

Long Lines respectfully requests that the tariff become effective July 3, 2012.

If you have any questions or require additional information, please feel free to contact me at (712)271-5559 or [Julie.Huberty@longlines.biz](mailto:Julie.Huberty@longlines.biz).

Sincerely,

A handwritten signature in red ink that reads "Julie Huberty".
