Re: Compliance Reporting for CAF, ICC, and ARC Filings

Dear Ms. Van Gerpen:

On behalf of Golden West Telecommunications Cooperative (Golden West), enclosed are copies of certifications filed at the Federal Communications Commission (FCC) for each Golden West Study Area as part of the Company's annual interstate access tariff filing. These certifications are being filed in compliance with 47 C.F.R. § 51.917 (d)(vii) Eligible Recovery for Rate-of Return Carriers, which states, ". . . A Rate-of Return Carrier seeking revenue recovery must annually certify as part of its tariff filings to the Commission and to the relevant state commission that the carrier is not seeking duplicative recovery in the state jurisdiction for any Eligible Recovery subject to the recovery mechanism."

Schedules for each study area of Golden West, showing each study area's projected eligibility to receive CAF ICC funding during the upcoming year are being filed under seal, as confidential information, in compliance with 47 C.F.R. § 54.304(d)(1) – Administration of Connect America Fund Intercarrier Compensation Replacement by study areas, which states "A rate-of return carrier seeking CAF ICC support shall file data with the Administrator, the Commission, and the relevant state commissions . . . establishing the rate-of-return carrier's projected eligibility for CAF ICC funding during the upcoming funding period pursuant to § 51.917 of this chapter . . ." (See Confidential Attachment A).

Certifications as to each study area's eligibility to receive CAF ICC support and to the accuracy of the CAF ICC data reported are also attached. (See Attachment B).
