Re: Qwest Corporation d/b/a CenturyLink QC ETC Filing

Dear Ms. Van Gerpen:

On November 18, 2011 the FCC released its *USF/ICC Transformation Order*. With that Order, the FCC has begun a transition to a national framework for certification of Eligible Telecommunications Carriers (“ETCs”) and has set forth a standard set of information that all ETCs must file by April 1 of each year. The Order also requires ETCs to file the same information with the respective state commissions.

For 2012, ETCs must file information by April 2, 2012 that fulfills 47 C.F.R. 54.313(a)(2) through (a)(6) to the extent the information has been provided to the state commissions pursuant to state ETC certification requirements. Qwest Corporation d/b/a CenturyLink QC hereby provides this information to South Dakota as required by the *USF/ICC Transformation Order*. Additional state-specific ETC certification requirements will be provided pursuant to South Dakota obligations and on current filing schedules. Consistent with past years, you will need to certify to the FCC pursuant to 47 C.F.R. 54.314 in order for CenturyLink to continue receiving Federal high cost support in South Dakota.

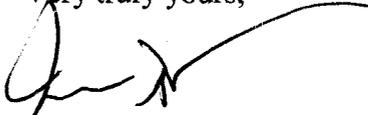

Information that fulfills 47 C.F.R. 54.313(a)(7), (a)(8), and (h) will be filed after notice from the FCC of OMB approval of the new reporting requirements for these items. CenturyLink will provide this information to South Dakota when it is filed with the FCC.

Information provided in response to 47 C.F.R. 54.313(a)(2) is confidential and CenturyLink requests this information be treated as such as provided by ARSD 20:10:01:41 and ARSD 20:10:01:39 (4). Also enclosed is a Request for Confidential Treatment of Information.
