South Dakota Lifeline/Link Up Plan

Lifeline

Lifeline is a government assistance program that offers qualified customers a discount on their monthly bill.

How much can I save?

Qualifying customers will save at least \$8¹ per month off of the \$33⁹⁹ monthly access for Lifeline service. Qualified residents of Tribal Lands may receive service for as little as \$1 per month (*Lifeline customers are responsible for the payment of all applicable taxes, surcharges and fees.*)

How do I qualify for Lifeline?

Requirements vary by state. In many states, you may qualify for Lifeline assistance if your total household income is at or below 135% of the Federal Poverty Guidelines or you are currently eligible to receive benefits from any of the following assistance programs:

- Medicaid (not Medicare)
- Food Stamps
- Supplemental Security Income (SSI)
- Federal Public Housing Assistance (Section 8)
- Low Income Home Energy Assistance Program (LIHEAP)
- National School Lunch Program's free lunch program (*must qualify for free lunch*)
- Temporary Assistance for Needy Families (TANF)

If your billing address is on Tribal Lands, you may also qualify for Enhanced Lifeline support if you meet any of the above requirements, or if you participate in one or more of the following programs:

- Bureau of Indian Affairs (BIA) General Assistance
- Tribally Administered Temporary Assistance for Needy Families (TANF)
- Head Start (*must satisfy income qualifying standards*)

If you live in a state that administers its own Lifeline program, you must satisfy the eligibility requirements that appear in the Verizon Wireless Lifeline/Link Up application for your state.

Are there any restrictions?

Lifeline assistance may only be applied to a single landline or wireless telephone line at your billing address. A Lifeline customer's billing and principal residence address must be the same. Lifeline assistance may not be applied retroactively. For more information call 1.800.924.0585.

How do I apply for Lifeline?

You must complete a Lifeline/Link Up application and certify to Verizon Wireless that you are currently eligible to receive benefits from a qualifying government program or otherwise satisfy the income eligibility standards.

If you apply based on household income standards, you must provide documentation reflecting your total annual household income.

To receive a Lifeline/Link Up application, please call 1.800.924.0585 or go to verizonwireless.com/lifeline.

When will my benefits stop?

Your benefits will continue as long as you satisfy the eligibility standards. Your eligibility may be reviewed at any time or you may be required to periodically provide documentation of your continued eligibility.

Service Deposit

You will not be charged a service deposit to initiate Lifeline service. However, an advance payment may be required if you incur charges materially in excess of your monthly access charges. Failure to promptly pay the advance payment may result in suspension or termination of your service.

Long Distance Calling

You will not be charged a separate toll charge for outgoing Domestic Long Distance calls made from your wireless phone while you are within your Local Coverage Area (airtime charges apply).

Domestic Long Distance includes calls made from within your Local Coverage Area to anywhere within the United States or Puerto Rico.

International Long Distance is not a part of the plan. Your Lifeline phone may not be used to make International Long Distance calls. Access to "900" numbers is prohibited. Use of the service to make prohibited calls can result in the curtailment or termination of service and the assessment of applicable charges.

Link Up

Link Up assistance helps qualified customers pay the activation fee or installation charges for Lifeline service.

How do I qualify for Link Up?

If you satisfy the Lifeline eligibility standards, you automatically qualify for Link Up assistance, subject to the restrictions below.

Are there any restrictions?

Link Up assistance may only be applied once to initiate service (for a single landline or wireless telephone line) at the same address. Link Up assistance cannot be applied to customer facilities or equipment, including the cost of your phone. Link Up assistance may not be applied retroactively.

How much will I save by using Link Up?

Qualifying subscribers will receive a Link Up credit equal to one-half of Verizon Wireless' customary activation fee of \$35. In addition, Verizon Wireless will waive the remaining \$17⁰⁰ balance of the activation fee.
