RE: Fort Randall Telephone Company (Fort Randall) Intrastate Switched Access Services
Revised Tariff Pages

Dear Ms. Van Gerpen

Attached for electronic filing is the revised Fort Randall tariff page associated with the Federal Communications Commission's Intercarrier Compensation Reform Order, FCC 11-161 and associated clarifications and reconsiderations. The Order capped intrastate rates at December 29, 2011 levels and began a nine year transition to bill-and-keep. As of July 2, 2013 companies will transition to terminating intrastate rates established through the rules contained in FCC 51.909, or interstate rates and structure.

If you have any questions in reference to this filing please contact me.

Sincerely
