RE: TC13-051 Fort Randall Telephone Company (Fort Randall) Intrastate Switched Access
Services Revised Tariff Pages

Dear Ms. Van Gerpen

Herein is Fort Randall's response to Staff's Data Request associated with TC13-05.

ARSD 20:10:29:10, 20:10:29:12 and 20:10:29:16 all contain language indicating originating and terminating charges shall be equal. Fort Randall requests a waiver to this requirement based on the Federal Communications Commission's Intercarrier Compensation Reform Order, FCC 11-161. The Order capped intrastate rates at December 29, 2011 levels and began a nine year transition to bill-and-keep for terminating intrastate rates, thus creating inequities between intrastate originating and terminating rates on a go forward basis.

If you have any questions in reference to this filing please contact me.

Sincerely
