- 3-1) Please confirm that pursuant to ARSD 20:10:32:55, customers receive written notification of Lifeline availability within 30 days of receiving service.

Response:

Red River Rural Telephone Association (the "Company") has provided Lifeline notification to existing customers at least annually in previous years. The Company does not currently have any customers receiving telephone service in South Dakota. When a new customer applies for and receives service in South Dakota, the Company fully intends to comply with the Lifeline notification requirement by giving notice to the new customer within the 30 day period.
