Re: Docket TC13-100 In the Matter of the Request of Western Telephone Company
For Certification Regarding its Use of Federal Universal Service Support

Dear Ms. Van Gerpen:

Enclosed for filing in the above referenced Docket is a revised copy of page one and two additional pages (attachment to Line 510 and 600) from Western Telephone Company's "Form 481 Report" which was inadvertently left out of the original filing made to USAC and has since been re-filed with USAC. This Form 481 Report is supplied to the South Dakota Public Utilities Commission in accord with the provisions of 47 C.F.R. §54.313(i), specifically, and should be considered and treated as additional information to Exhibit C to Western Telephone Company "Annual ETC Certification" request filed earlier in this docket.

Sincerely yours,
