

Docket Number: TC14-028

Subject: First Data Request
Request to: dishNET Wireline L.L.C.
Request From: South Dakota Public Utilities Commission Staff
Request Date: June 30, 2014

Request Number 1-2

Please submit waiver requests for ARSD 20:10:29:10, 20:10:29:12 and 20:10:29:16 to allow originating and terminating switched access rates to not be equal.

Response:

On July 15, 2014, dishNET submitted amended Sheet Nos. 37 and 39 to the Company's switched exchange access tariff, South Dakota P.S.C. Tariff No. 2. These sheets replaced those contained in its original filing in this docket and now set the Company's South Dakota originating access and toll VoIP-PSTN traffic rates at parity with the corresponding terminating rates, obviating the need for ARSD 20:10:29:10, 20:10:29:12 and 20:10:29:16 waiver requests.
