James Valley Wireless, LLC (JVW), for its responses to the 1st Data Request from Staff, states as follows:

Data Request No. 1-1: Describe the Company's current broadband offerings, including technologies used and speeds advertised, and any plans the Company has to expand those offerings.

Response:

JVW offers 4G data at speeds up to 25Mb download and 10Mb upload.

Data Request No. 1-2: Refer to the attached USAC printout. Explain the \$25,236 that appears on the USAC printout, but not on Exhibit A of your filing.

Response:

The referenced amount was a one-time true up of local switching support. It was mistakenly omitted from the original filing.

Dated this 23rd day of July, 2014.
